Damage Inc

Southern California's Tribute to Metallica

About

An invitation to Metallica’s 2026 Sphere residency events in Las Vegas brings Damage Inc into a familiar concert setting. The four-member Orange County act has already participated in M72 takeover programming, including the 2023 tour events. AXS television features and a performance with Denver Pops Orchestra are also part of its history. The show is a Metallica tribute with experience across televised, orchestral, and fan-event stages.
