Made in America

A Tribute to Toby Keith

About

Made in America is a Toby Keith tribute act built around an eleven-piece band and a full concert-style presentation. The show is designed to recreate the energy, look, and feel of a Toby Keith performance.

The band was a 2023 Josie Award Nominee for Best Tribute Band in the US and performs more than 50 shows each year across the United States. The production features Chicago music scene veteran Paul Wenzel in the Toby role. He has received the award for Best Country Music Performer at the Chicago Music Awards.

Members of Toby Keith's Easy Money band have called Paul Wenzel America's most convincing Toby Keith tribute artist. Made in America also includes a horn section with players who have toured with The Ides Of March and Ray Charles.

Every show is dedicated to America's veterans and first responders.
